**5) 2016 Trolley Tour**

D. Kenney went through a slideshow projection of the properties along the proposed tour route. **6) Member Inquiries and Reports**

Staff explained that they found that the Alano Club did repair work on the property without coming back to see the Certificate of Appropriateness. Staff is working to get the information including the scope of work from them to bring forward to the Commission.

B. Alt said he attended an MCCD sponsored work day at Boger Bog. He found some interesting items that were left out in the fields from someone that used to live there. There was an interior designer from Chicago who had built a small house on the property. He would acquire items from architectural salvage sales. Many of the items are out in the field.

**7) Adjournment**

There being no further business D. Kenney made a motion to adjourn the meeting at 9:07 p.m. L. Solak seconded the motion. On voice vote, all members voted aye.
