

AUTHORIZATION BY THE LIQUOR COMMISSIONER OF THE CITY OF CRYSTAL LAKE ALLOWING FOR THE DELIVERY OF ALCOHOLIC LIQUOR IN THE ORIGINAL PACKAGE

WHEREAS, pursuant to Executive Order 20-03, Illinois Governor JB Pritzker issued an Executive Order declaring all counties within the State of Illinois a disaster area in order to address the spread of COVID-19; and

WHEREAS, subsequent Executive Orders of the Governor mandated that all businesses within the State of Illinois that offer on-premises consumption of food or beverages suspend such services but encouraged such businesses to serve food and beverages for consumption off-premises through pick-up or delivery; and

WHEREAS, in conjunction with the Executive Orders of the Governor and in recognition of the difficulties experienced by the restaurants and bars and other retail sellers of alcoholic liquor throughout the State, the Illinois Liquor Control Commission, on March 19, 2020, issued its Guidance authorizing all retail licensees, including on-premises only licensees, to make curbside and home residential deliveries, subject to the approval of local liquor commissions.

NOW, THEREFORE, I, Aaron T. Shepley, Liquor Commissioner of the City of Crystal Lake, hereby authorize the following:

- 1) Holders of retail alcoholic liquor licenses issued by the City of Crystal Lake are temporarily authorized to make carry-out, curbside delivery and/or home residential deliveries, in the original package, of such alcoholic liquor, beer or wine as they may be otherwise authorized to sell in accordance with the license issued to such licensee. Such sales and deliveries shall only be made in compliance with Illinois law and shall be made only to persons who are at least twenty (21) years of age.
- 2) This authorization shall apply to all retail licensees, notwithstanding any limitation within such license restricting sale to on-premises consumption only.
- 3) This temporary delivery authorization shall expire upon the termination of the COVID-19 emergency restrictions imposed by Executive Orders of the Governor of the State of Illinois or such earlier time as may be determined by the City of Crystal Lake Liquor Commissioner.

Authorized this 21st Day of March, 2020

Aaron T. Shepley
