**Changes to HIPAA Special Enrollment Provisions under the  
Children's Health Insurance Program Reauthorization Act**

Under the Children's Health Insurance Program Reauthorization Act of 2009 ("CHIPRA"), group health plans and group health insurance issuers must offer new special enrollment opportunities. Effective April 1, 2009, plans and issuers must permit employees and dependents who are eligible for, but not enrolled in, a group health plan to enroll in the plan upon:

- Losing eligibility for coverage under a State Medicaid or CHIP program, or
- Becoming eligible for State premium assistance under Medicaid or CHIP.

The employee or dependent must request coverage within 60 days of being terminated from Medicaid or CHIP coverage or within 60 days of being determined to be eligible for premium assistance.

There are also notice and disclosure requirements associated with CHIPRA.

**Model Notice for Employers**

Employers that maintain a group health plan in a State that provides premium assistance under Medicaid or CHIP must notify all employees of potential opportunities for premium assistance in the State in which the employee resides. On February 4, 2010, the Department of Labor published a notice in the Federal Register announcing the availability of a model notice and providing guidance on how to comply. Employers are required to provide this notice by the date that is the later of:

- The first day of the first plan year after February 4, 2010, or
- May 1, 2010.

The model Employer CHIP Notice in English is available on the intranet.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2020. Contact your State for more information on eligibility -
