Employee Intranet Spotlight

Are you looking for something to "sink your teeth into" this month? If so, check out the Dental section of the Employee Intranet. This section has information on Delta Dental Benefits and a complete summary of our dental plan! Also, make sure to look at the bottom of the page where you can find a "Network Dentist Section". Reach out to Human Resources if you have any questions about the Dental Plan or about any other benefits.

Reminder: The dental plan year does not follow the traditional calendar year structure of January 1st to December 31st. Instead, the plan year follows the plan year schedule of July 1st to June 30th.

Fun Dental Fact: 2600 BCE marks the death of the world's first (known) dentist, an Egyptian native whose tomb reads: "The greatest of those who deal with teeth, and of physicians."
