Delta Dental Premier® is a safety net for our Delta Dental PPO network. You will pay more out-of-pocket with a Delta Dental Premier dentist compared to a Delta Dental PPO dentist. However, you may save more money with a Delta Dental Premier dentist compared to a non-network dentist. Delta Dental Premier dentists agree to our maximum plan allowances as payment in full, which may be lower than what a dentist would typically charge.

Note: The comparisons are outlines of the Benefit Schedules. This exhibit in no way replaces the plan document of coverage, which outlines all the plan provisions and legally governs the operation of the plans.

*Non-network (non-Delta Dental PPO/non-Delta Dental Premier) dentists are reimbursed at the 90th MDR.
