

Public Arts Commission Agenda Supplement

Meeting Date:

May 8, 2024

Item:

Public Art Installation at Congress Parkway/Exchange Drive Roundabout – Request for Proposal specifications for the installation of a sculpture at the Congress Parkway and Exchange Drive roundabout

Recommendation:

Motion to recommend approval of the Request for Proposal specifications

Contact:

Katie Rivard, Assistant City Planner

Background:

In 2023, the City of Crystal Lake completed the construction of two new roundabouts on Congress Parkway. The roundabout at Congress Parkway and Exchange Drive was approved and constructed to allow for some type of public art installation. The pad in the middle of the roundabout is eight (8) feet in diameter, with conduit to the island in case any future artwork would want lighting. There is a sanitary manhole that is in the pad, and access must be maintained.

Request:

At the March 13, 2024 Public Arts Commission meeting, the Commission provided recommendations for selection criteria to be included in a Request for Proposals (RFP) for a desired type of art to be installed. The recommendations have been incorporated into the RFP document for the Commission’s review. Upon approval, the City will post the RFP and receive proposals for the Commission’s review at a future meeting.

Votes Required to Pass:
Simple majority
