

#2010-19
148 Lakewood Avenue (Schmidt)
Project Review for Planning and Zoning Commission

Meeting Date: April 7, 2010

Request: Special Use Permit to allow an accessory structure over 600 square feet.

Location: 148 Lakewood Avenue

Acreage: Approximately 13,000 square feet

Existing Zoning: R-2 Single Family Residential

Surrounding Properties: North: R-2 Single Family Residential
South: R-2 Single Family Residential
East: R-2 Single Family Residential
West: R-2 Single Family Residential

Staff Contact: Elizabeth Maxwell (815.356.3615)

Background:

The petitioner owns two single family lots, Lots 13 & 14, which are considered 1 zoning lot because they connected the lots through the Northshore SSA and improvements have been built across the lot line.. Currently there is a house, driveway and garage on one lot and a shed on the other lot. The petitioner is planning to remove the existing 18' x 20' garage and construct a 40' x 22' garage. The garage will be 5 feet from the north, west and south property lines. The impervious coverage is calculated linking both lots and is being met. Lot 13 alone could not meet the maximum impervious coverage limit. The petitioner is requesting the Special Use Permit to allow the garage which is 880 square feet. Any accessory structure over 600 square feet requires a Special Use Permit.

Findings of Fact:
